Chapter 1 by rageskull

I am a child of the dark, fighting for the light.

I might look evil, but deep inside, I'm a good person.

However, that does not save me from the bad things I have done.

I was forced to kill thousands of innocent people because I was told they were monsters. But now, I will fight against those who raised me, so I could repay humanity for the things that I did.

Today is the day I stand up to Darkness.
